

## **Learning Outcomes**

**Provide a program of intentional student engagement that results in specific learning outcomes for students.**

### Objective 1.

Adopt specific expectations for integrated student learning as a result of connecting with Student Affairs programs and services. (Learning Reconsidered)

### Objective 2.

Provide out-of-class learning experiences that are consistent with and compliment expected educational outcomes intended by other Divisions of the College.

### Objective 3.

Develop student recognition of expectations for their participation in learning experiences outside the classroom
