

Transitions

Enhance and promote transitional experiences for our students to improve student learning, satisfaction, and retention.

Objective 1.

Improve First Year students' successful transition to Oswego as evidenced by the degree of their satisfaction, involvement, and congruence within the campus environment.

Objective 2.

Design and implement recruitment strategies intended to attract new students (FY and Transfers) whose educational interests and goals are congruent with our premier campus environment.

Objective 3.

Design and implement a second year program to enhance student success and commitment to graduate.

Objective 4.

Develop initiatives to engage students effectively in the transition processes related to the world of graduate school or professional work beyond Oswego.

Degree of satisfaction: happiness with it and importance to me

Astin: definition of involvement:

Fit: typology of person and environment

Need to define "premier campus environment"
